Since 2019, this tournament has **raised over \$1.5M** including the funding of **14 research grants**.
Advancing critical work in brain aneurysm detection, treatment, and prevention.

Research is one of the most vital yet underfunded areas of our mission.
Sponsor support makes this progress possible, helping drive innovation, save lives,
and move us closer to a future without ruptures.

Your partnership is not just support—it's impact.
